

Panama City Coastal Cruisers June 2006 Newsletter

Greetings from the Watch,

I know it is July, but I'm running a little behind.

Don't forget *July's Meeting is this Tuesday, July 11th*, St Andrews Yacht

Club. Our guest speaker will be **BAY COUNTY**

COMMISSIONER JERRY GIRVIN. Recently, Mr.

Girvin has been outspoken on the county looking into the possibility of establishing mooring fields. And this past week he spoke out about the dog issue on Shell Island.

Thanks **Rob**, owner of Power Scrub, (SV Seaque) for a very information talk on taking care of the bottom of your boat, so often we only maintain what we can see. You gave us information that will but money in our pockets and everyone needs a little more dough.

Wayne and Jan (SV See Ya), Thank you for handling the Crooked Island Raft Up, over the Memorial Day Weekend. **Carl and Greg** told me the weather was GREAT and they didn't have to use the HUGE air conditioner they have on Main Stay.
